Local Association Takes Over Local Association

Pleasant Grove Fruit Growers' Association Joins Larger Association, Who Will Manage Local Fruit Shipments in the Future.

Mr. H. Homer, G. W. Palmer, G. L. Lohr and C. A. Hickenlooper, officials of the Utah Fruit Growers' association, were in Pleasant Grove auditing the books and making an inventory of the Pleasant Grove Fruit Growers' association, preparatory to its absorption by the state concern.

This does not mean that Pleasant Grove will not have adequate facilities for marketing its large and increasing crop, but that it will be taken care of better than ever before in its history.

The Utah Fruit Growers' association is a very successful business last year, which was its first year in business. It started out with approximately 40 per cent of the fruit growers of the state in its membership, and Mr. Homer, its secretary, is authority for the statement that this year its membership will be doubled. Every grower of fruit in Utah county is a member, and practically every grower of fruit in the state is now affiliated under one head, one board of general management, which will handle the large majority of all the fruit of the state this year.

Last year the state association handled 42 carload lots and shipped into thirty-two outside states. Nothing less than carload lots were handled. This year, however, the association will enter into the fruit marketing in all of its details. Less than carload lots will be handled and express shipments will be made. It will be in a position to handle the berry crop, commencing with the earliest and continue throughout the season. Besides shipping to the various Utah markets, the association will go after the markets of Idaho, Montana, Colorado and Nevada for the berry business. It will also be in a position to supply its customers with berry cups, crates, boxes and other supplies.

When asked about the fruit prospects for the coming year Mr. Homer said that all present indications were that the state would have a bumper crop. Of course there is plenty of time yet for killing frosts. He has kept accurate records at his farm above town for the past seven years, showing the time of budding, dates of killing frosts, etc., and from these records says that we now have reasonable assurance of a successful season. May seem to think that because of the advanced condition of the buds this early in the season there is grave danger of loss. However, Mr. Homer pointed out that in 1908 the apricots blossomed the same day as they did this year, and it will be remembered that 1908 was the best year for fruit in local history.

Indications are that prices for the coming year will be better than for last season's crop. It is too early yet to give anything very definite, but he points out that the association already has higher offers for its peach crop than were realized last year. He thinks this is probably due to the excellent satisfaction given to its customers last year.

While many peaches went to waste last season for want of a market, Jonathan S. Page, who was the largest shipper of peaches through the association and sold 12,000 cases, after paying for the cost of picking, crating, spraying, pruning, cultivating and all other expenses, realized over 10 per cent on his investment, counting his orchard valued at \$500 per acre.

Emory McKeller of Provo Bench was the largest shipper of apples through the association last year. His crop netted him \$275 per acre after paying all expenses.

Apples will apparently be the leading fruit crop, so the following table is given showing the different kinds grown and about the average price received for them:

New Tithing Office

Plans and specifications have been gotten out and bids are being solicited for the erection of a new tithing office in Pleasant Grove. The drawing would indicate that the building would be one of pleasing and rather

classic outlines, and be ample and commodious for all purposes inside. Wide steps lead up to a small portico, which opens into a hall inside.

Besides the hall there are four commodious rooms and a lavatory and toilet. One room will be used as the office, and back of it is the consultation room. On the other side of the hall is the circle room, and in front of it will be the dressing room. The latter two are connected with large sliding doors, so that they may be thrown together for special purposes. R. L. Ashby is the architect.

The building will be located near the Tabernacle and will cost in the neighborhood of \$3,000. It will be built this summer.

Interurban Commences Carrying Passengers

First Interurban Car Left Yesterday With Conference Visitors.

Yesterday morning at 7:30 the first interurban passenger car hauled passengers out of Pleasant Grove. The service will only last till after the 6th inst., when the service will be discontinued till the roadbed is ballasted and a Y put in. It is the intention to at once extend the track to Lindon, where a Y will be built and the road ballasted from American Fork.

Temporarily the tickets will be sold at Thornton's office. Later, however, the company will install a modern reinforced concrete depot on the property acquired from Alex Thornton and a regular agent be employed.

Men and teams are busy now taking down the street grade on Depot street, so that the track may be extended south.

M. I. A. Contests

Byron West, Lucile Harvey, June Ogden and Joseph Olpin Will Represent District No. 3 in Stake Meet.

A very large and appreciative audience witnessed the M. I. A. contest of District No. 3 Sunday evening, March 29, in the Pleasant Grove Tabernacle. The program was as follows:

Orations—
"The Community Ideal"—Reed Warnick, Manila.
"Abraham Lincoln"—Bryan West, Pleasant Grove Third Ward.
"The Religion of Love"—Omer Larson, Pleasant Grove Second Ward.
Retold Stories—Seniors.
"The Diamond Necklace"—Lucile Harvey, Pleasant Grove Third Ward.
"The Land of the Blue Flower"—Emma Bush, Pleasant Grove Second Ward.
Juniors—Boys.
"Enoch Arden"—Joseph Olpin, Pleasant Grove First Ward.
Juniors—Girls.
"How the Lord Was Good to Aunt Hannah"—Oral Wadley, Pleasant Grove First Ward.
"Hetty"—Olive Anderson, Pleasant Grove Third Ward.
"Little Clara"—June Ogden, Lindon.
Mixed Double Quartette—Pleasant Grove Second Ward.
Vocal Solo—Mrs. L. A. Richardson.
Ladies' quartette—Manila.
The Judges, who were Mr. Childs, Mr. Phillips and Miss Thurman of Lehi, rendered their decision in favor of Bryan West, oration; Lucile Harvey, retold story; June Ogden, retold story; and Joseph Olpin, retold story.

These, with the double quartette, who were the only musical contestants, will be entitled to represent District No. 3 in the state meet, which will be held in Lehi, Sunday evening, April 26. This district should be able to carry off some of the stake prizes.

MARSHAL CAPTURES INSANE PATIENT

Tuesday night an inmate of the State Mental Hospital escaped, and while the attendants were searching the south end of the county for him, Marshal Frampton had him locked up in the city jail. He was located in the upper part of town and because of his inability to give any proper account of where he came from or where he was going the marshal locked him up. He had been assisting in the kitchen of the hospital. The cook came over and got him.

NEW MAIL CARRIER

Thursday morning there was a change in mail carriers in Pleasant Grove. Otto Mayhew, who has spent twenty-five years in the service, turned his mail cart over to William Robbins on Thursday morning. Mr. Robbins' bid was \$237.60, as against Otto Mayhew's bid of \$240 for the year, or just 20 cents per month less than the successful bidder.

The expiring contract was for \$180 per year. Because of the heavy increase in the mail, which has more than doubled since the last contract was signed up, Mr. Mayhew resigned and new bids were advertised for.

MR. AND MRS. J. R. HALLIDAY TAKE AN EASTERN TRIP

Mr. and Mrs. J. R. Halliday will leave today for a lengthy trip that will take them over many eastern and southern states and that will last for thirty or forty days.

Cleveland, Buffalo, New York, Boston, Philadelphia and Washington, D. C. Their southern route will take them through the Carolinas and Tennessee and back home by some southern route.

Mr. C. R. Lloyd, who comes here from California, will run the office during Mr. Halliday's two months' leave of absence. Mrs. Lloyd will also make Pleasant Grove her home while her husband is here.

TELEPHONE IMPROVEMENTS

A force of telephone employees are here making some changes in the system. The company will spend \$15,000 here the coming summer making changes and improvements, among which will be the taking out of the old switchboard and replacing it with the common battery system.

A CORRECTION.

Editor Review:
I noticed in the last issue of the Pleasant Grove REVIEW that some one had made an announcement to this effect: "The engagement of Miss Roena Adams and Mr. Othello Clark is announced, the wedding to take place in the near future."

I would like to say to my friend that when I get ready to announce my engagement I will announce it, or if I'm not capable of doing it my parents are still alive and can paddle their own canoe. Respectfully,
MISS ROENA ADAMS.
